

Global Market Development

Pre-Approved Activities

The Global Market Development program will support participation in:

- pre-approved GMD activities; and
- additional activities not included on this list (Ontario Creates permission required in advance/prior to the event)

provided the primary purpose for attending is business and/or audience development. Applicants are expected to include a list of ALL targeted activities (pre-approved and additional activities) as part of their application and demonstrate how these activities support their overall global market development plans.

All travel must originate in Ontario, unless approved otherwise by Ontario Creates.

SECTOR

- Books
 - Film/TV/Web Series
 - Interactive Digital Media/Video Games
-

Note to Successful Applicants

Funding recipients do not need to notify Ontario Creates regarding changes for pre-approved activities. All other changes (to a maximum of three) must be reasonable and will require notification and permission from Ontario Creates through the OAP prior to the change, and prior to the event.
